MUSIC GENRES

because organisation is key!

SUB-GENRES

Reggae

Evolved from Ska and Rocksteady, recognised by its 'offbeat' rhythm.

Dancehall

Named after dance halls where Sound Systems played. Faster tempo, lyrics are more rap than singing

Soca

Originated from Trinidad and Tobago, inspired by Calypso and music from East India

DATA

Dataset was created from Spotify API

- › Spotify / Apple Music / LastFM Playlists
- › All features extracted from Spotify
- › Data labels given at user's discretion
